

Dear Supporters,

I am writing to you on behalf of the Marlboro Boys' & Girls' Club (MBGC) Track Team, better known as "Marlboro Track." Marlboro Track is one program offered through MBGC, a non-profit, community-based organization that provides competitive, recreational, and educational programs for young people ages 7 – 18 in Maryland.

For the 2022 season, Marlboro Track has been selected to host the AAU JO PVA District Qualifier Track and Field. May 27, 28 & 31, 2022, Prince George's County will serve as the meet site for over 500 participants, family members and other spectators from across (Maryland, Virginia, & the District of Columbia). These athletes and spectators will be patronizing our local businesses, and this would be a great opportunity to promote your business and/or products.

We have sponsor and vendor opportunities available and would like to extend an offer for you to participate. We have sponsorship and vendor packages, and we receive tax deductible monetary donations in any amount via our 501c3. Many include: on-site signage, on-site sales and promotion, advertising during the meet, social media mentions, advertising on the marlborotrack website, inclusion in the press releases to local media, company logo will be included on the backdrop used for photographs of the athlete's presentations. As one of our major sponsors, you will also have the opportunity to be highlighted as the honorary athlete; adorned in company logo attire or carrying your banner and you will officially open the games. This is a wonderful opportunity to support and positively impact the lives of deserving young people while promoting your business to thousands of people in Maryland, the District of Columbia, Virginia and beyond.

Our deadline to receive a confirmation on your choice of sponsorship or advertising option for the AAU JO PVA District Qualifier Track and Field event is May 26, 2022. We hope you will be able to support our efforts and the qualifier. Thank you in advance for your consideration and please feel free to reach out to either of the contact persons below if you have any questions or need additional information.
